## Message from Matt Thistlethwaite MP

### Welcome to the Kingsford Smith Business and Community Grants Bulletin.

I publish this grants newsletter twice a year to keep you updated with the latest in local, state and federal government grants, along with private and philanthropic grant opportunities.

I want to make sure local community groups and sporting organisations are aware of the many grant opportunities that exist across business and government. Grants can be a way of helping students with educational costs, giving a boost to businesses, upgrading sporting and other local infrastructure or celebrating our diverse and vibrant community.

This bulletin provides details and information of over 400 grants and funding opportunities from local government, the NSW Government, the Australian Government and the private sector.

I encourage you to also look at grants currently available from our local councils. The Randwick City Council and Bayside Council grant programs provide a number of opportunities for local organisations – these have been highlighted throughout this bulletin. New grant opportunities and funding rounds frequently become available and will feature in future bulletins. I trust you will find this information useful and encourage you to share with others.

If you have any questions or require further assistance, my office is here to help, please contact **(02) 9349 6007** or email **Matt.Thistlethwaite.MP@aph.gov.au**.

Kind regards

**The Hon Matt Thistlethwaite MP**
